

CHIEF LOGISTICS IS YOUR RELIABLE TRANSPORTATION PARTNER

Delivering freight reliably and efficiently across Nebraska and North America,
we provide comprehensive logistics solutions tailored to your business needs.

LOGISTICS MANAGEMENT IS OUR EXPERTISE

At Chief Logistics, we're dedicated to providing secure, on-time, and reliable logistics solutions. Our extensive network of expert carriers and deep industry relationships ensure your shipments are always in good hands.

OUR CORE SERVICES

TRUCKLOAD (TL) SHIPPING

No matter where you need to ship in the contiguous United States, Chief Logistics can get it there. We offer comprehensive shipping and logistics services for a diverse range of commodities nationwide, including dry goods, temperature-controlled products, construction materials, and agricultural equipment.

DRY VAN SHIPPING

Chief Logistics offers dry van solutions to connect shippers with a network of vetted carriers for safe, efficient, and on-time delivery of dry goods. We handle everything from palletized freight to consumer products with meticulous planning and dedicated service for reliable transportation for this significant segment of the freight industry.

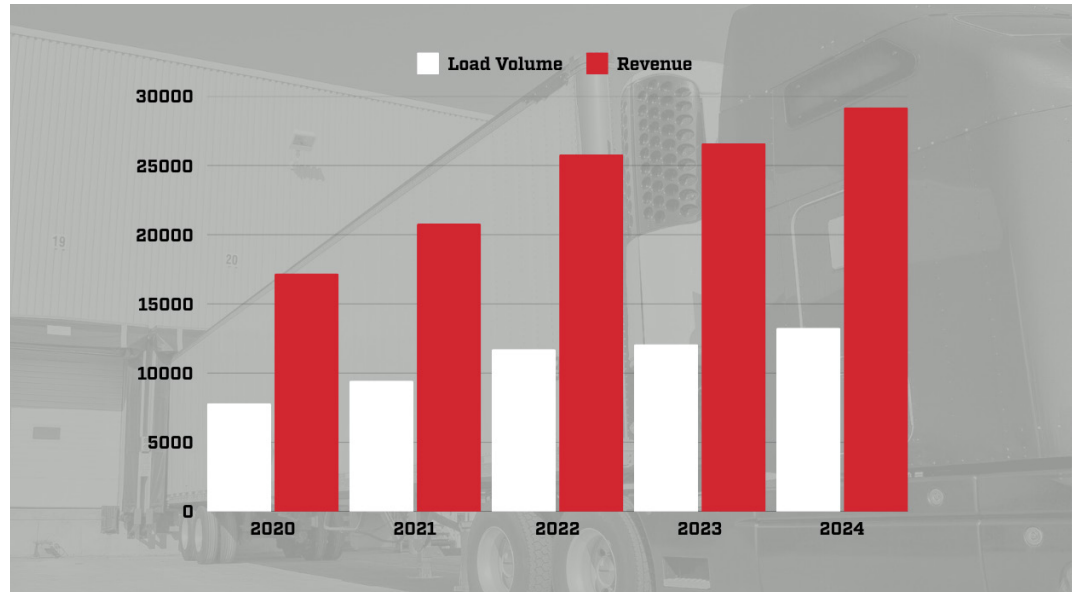

SPECIALIZED TRANSPORTATION SERVICES

We handle Tanker & Bulk, including hazardous materials; Heavy Haul, for oversized cargo nationwide; and LTL Shipping, for smaller shipments. We also offer temperature-controlled logistics, ensuring safe and compliant delivery of all specialized freight.

LOAD VOLUME

Our commitment to service excellence and strategic growth is clearly demonstrated in our performance over the past five years. As illustrated in the chart, Chief has consistently expanded its operational capacity and revenue generation. This steady progression underscores our stability and capacity to handle your evolving logistics needs.

WHY CHOOSE CHIEF LOGISTICS?

SAFETY FIRST

Safety is our top priority. We partner with a rigorously vetted network of over 10,000 carriers, all meeting our stringent safety standards, including hazmat requirements, to ensure excellence and exceed industry benchmarks.

RELIABLE AND ON-TIME DELIVERY

Our commitment to reliability ensures your freight arrives on schedule every time. We use advanced logistics software to provide complete transparency and peace of mind.

TECHNOLOGY-DRIVEN LOGISTICS

Chief Logistics utilizes cutting-edge technology for enhanced visibility and communications to optimize our operations and provide efficient logistics solutions.

NEBRASKA'S TRANSPORTATION EXPERTS

A multi-generational, family-owned business rooted in Nebraska, offers in-depth knowledge of transportation regulations and networks. While experts in local challenges, our network provides national transportation solutions across the United States, Mexico, and Canada, ensuring efficient and compliant delivery.

WHAT OUR CUSTOMERS SAY

"What I valued the most about the experiences was the flexibility and ability to adapt to OUR needs."

Robert J. [OverHead Door]

"Chief Logistics has been an absolute game-changer for us...It's not just about getting the job done; it's about how well they do it."

Phil R. [Fairbank Equipment]
